WILL YOU JOIN US IN THE RACE AGAINST CANCER?

Since its inception 31 years ago, this race has raised more than \$7.6 million. Your participation and support make a difference in the lives of Thompson Cancer Survival Center patients.

"Thompson Cancer Survival Center was created to provide the best in cancer care for the people of Southern Appalachia. Our mission is to increase the number of cancer survivors in the communities we serve. Every day our physicians and staff strive to do just that by offering the latest in clinical research and the most advanced cancer treatments available."
– Jon-David Deeson, Executive Vice President of Ambulatory Services, Covenant Health.

Corporate race teams make a difference!

Engage your employees in our mission to provide hope and support to local cancer patients in need. Human resource departments might use the race as part of their employee health benefits incentive. Employee engagement fosters camaraderie, increases productivity and instills a strong sense of pride in your workforce.

Create friendly competition among various departments or locations, honor those who have been affected by cancer in your organization and remember those who are no longer with us. The race is an incredible way to show your community that your company is a good corporate citizen.

Corporate Paid Race Registrations

Companies can choose the amount of the registration fee to cover. Companies purchasing bulk registration codes have full flexibility over how much of the registration amount they'd like to cover.

Simply enter the preferred amount in the blue box at the bottom of the sponsorship form and we'll set up the registration code for your employees!

Pay now OR pay later

Companies can choose to pay at the time of purchase, or choose to pay later by invoice.

How do my employees register?

Once we receive your request we'll set up a discount code that you can share with your employees.
