

Course Aid Sponsorship Opportunity

Troy, Ohio
Aug. 29, 2020

The Tour de Donut will be offering a highly visible and unique sponsorship opportunity in the form of on course aid vehicles with visible branding. The specially equipped vehicles from SRAM Neutral Race Support will be out on the course aiding riders with mechanical problems in addition to our SAG vehicles.

The Tour de Donut is a unique cycling event where you ride and eat donuts to reduce your finish time. Beginning in 2007, the event has grown to over 3000 participants and has been featured in National and International publications and news segments. The event is by far largest athletic event in Miami County and offers a large free kid's participation event . With distances for all experience levels, the ride has become the largest single day bicycle event in Ohio while attracting participants from 30 states in 2019. We offer this unique partnership opportunity with local businesses who are interested in supporting this popular community event.
