Registration Changes: If you want to make changes to your ride registration, you will need to stop by Station 5 at packet pickup to request the desired change. Please

will need to stop by Station 3 at packet pickup to request the desired change. Please do not email changes, as they will not be captured.

Weather: Ride day weather looks great, but be sure to check your own weather source to determine ride day conditions and dress/prepare appropriately. Do not forget the proper clothing and sunscreen.

RaceJoy

We have partnered with RaceJoy. Racejoy offers FREE online participant tracking for all participants. You and your friends and family can download the RaceJoy app and keep track of each other during ride day. They can also send you cheers along the way. [Race Joy GPS Tracking Information](#)

Course/Ride Notes:

-The courses match the maps perfectly. Every intersection is marked with colored arrows which eliminate questions about how to navigate the route. Here are a few critical reminders about how to stay on course and safe:

-While you're on course, every intersection has painted arrows on the right lane of the road. Please pay close attention to these.

-Know the color of your route: **Donut Hole is Khaki, Mini is Red, Full is Yellow, DD is Blue**

-Download the maps on Racejoy and please use that app. The maps were used to mark the course, so if you're following the proper route, the arrows on the ground will match perfectly.

-Remember that these are OPEN ROADS. You simply can't ride 3-4 riders across. Stay to the right and respect the local traffic.

-We have multiple State Route crossings and every intersection MUST be respected and rules of the road apply. Please be respectful of the local residents/traffic and ride carefully. Do not blow through intersections.

-There is a railroad track crossing. This is just part of the course. Times will not be adjusted if there is a train delay. Please respect the crossing gates/lights and do not ride around them.

Awards:

Winners MUST be present at awards to receive awards. Our sponsors want pictures of your beautiful faces! Awards Ceremonies are as follows:

11:45am Awards for Mini Donut (East stage)
