Start and Finish Line

The Course

This course is a very simple out and back course that is mostly on Murrow Blvd. The course is 90% completely closed to traffic (everything but the first and last .15 miles). Athletes will be instructed to stay to the left of the cones while on the course so that they do the correct distance for the race.

We are aware of construction on Murrow, we have a slight change in route if that is an issue on race day. We will not change the course until race day if needed.

Speakeasy Party

- After crossing the finish line, make like guys and gals of the Prohibition era and walk through the distillery to the back of the building....because....*that's where the party is!!*
- Here you will find music, food, club tents and *giggle water*.*

* Giggle water – a Prohibition-era term meaning “an alcoholic beverage”.

TRIVIUM RACING NORTH CAROLINA CLUB BENEFITS

Club Incentives

If your team has 10+ members registered two weeks before race day, you'll enjoy:

- A team tent set up by Trivium, featuring a banner with your club's name/logo
- Your registration packets, ready at the tent (skip packet pickup lines)
 - In order for your race packet (shirt, bib, etc.) to be pulled and available at your club tent, you must be registered as part of the club by the Monday before the race at 11:59 pm EST.
- Food, drinks, and goodies waiting for your team.

Greensboro Distilling Speakeasy 5K Club Competition

- All clubs, regardless of size, are part of the club competition.
- Awards go to the winning club
- All finishes count toward the 2026 Trivium Club Cup Competition

How Club Scoring Works at Greensboro Distilling Speakeasy 5K

- All finishers earn 1 point just for completing the race, so the more runners your team brings, the more you score.
- Age group placement earns additional points, with top finishers scoring up to 20 points (1st place) and down to 2 points (for 16th–20th).
- Overall podium winners (1st, 2nd, 3rd) earn double their age group points—for example, an overall 10K winner scores 41 points!
- Volunteers are a huge part of race day too, earning 5 points each for their club.
- This race is worth double points across the board—making it a huge opportunity to rack up a big score for your team.
