

Welcome to the seventh annual St. Patrick's 5K – Warminster presented by Tony's Place Bar & Grille in Ivyland, PA

GETTING THERE: Most GPS systems will not get you to the runway at Warminster Community Park. Our suggestion to you is that you use the address for 1100 Veterans Way, Warminster PA 18974, and use the attached map to guide you in from Street Road and Jacksonville Road (follow the orange line). For directions from the race to Tony's Place follow the green line on the map.

PARKING:

Please park in the designated paved parking lot at the end of Veterans Way. Registration is with the Start/Finish line, on the runway on the far side of SafetyTown. The bathroom facility at the pavilion does not unlock until April 1st, 2017. There will be four portable toilets near the registration area on the far side of SafetyTown . Please don't attempt to park at the start-finish area.

REGISTRATION & PACKET PICK-UP:

Bib Pick-Up and Race Day Registration will be held in the runBUCKS tents next to the Start/Finish line, beginning at 9am on race day. Race day registration is available for \$30 without a t-shirt or \$40 including a mailed t-shirt, \$50 for a mailed hoodie. Please try to bring exact change.

HOODIES:

If you pre-ordered a hoodie by noon on Wednesday, March 8th, 2017 they will be available at packet pick-up

There will be an order form available to have one shipped to you if you would still like one.

THE USUAL:

Bibs should be pinned to the front of your body, and should be visible.

The safest place for your belongings is in your locked car. We will be offering baggage drop near the finish line but are not responsible for your belongings.

Please seed yourself according to your honest ability to run. The course is very narrow and starting too far to the front is akin to driving the speed limit in the left lane.

If you wear earphones, please keep your earbuds out until after the National Anthem and final announcements are completed.

IN THE EVENT OF A MEDICAL EMERGENCY PLEASE CALL:

215-802-2622 This number is for race day emergency calls only

Describe the nature of emergency, Location by mile mark and clothing of party involved

Because the course is narrow, we ask that you run in single file on the Delaware Canal towpath.

There will be a water station just before the turn around. Please attempt to use the trash cans and keep litter out of the canal.

THE START:

We will use a mass start for the St. Patrick's 5k- Warminster, and score awards using "chip" time. **RACE STARTS AT 10AM EST**

THE FINISH:

The St. Patrick's 5K – Warminster will be chip timed. We won't need the bottom tag of your bib unless there is a timing malfunction.

Bibs tags should be used at Tony's Place – Ivyland to collect your first round.

You will be given a bottle of water at the back end of the finish chute. Food will be available at Tony's Place after the conclusion of the awards ceremony.

START

Race starts at 10AM on the runway. Race Day registration and Packet Pick-Up opens one hour before

AWARDS

Shortly after the last person crosses the finish line we will start the awards ceremony at the finish line.

Awards for the St. Patrick's 5K – Warminster are plaques.

AWARDS GROUPS are: Top 3 men & Woman Overall

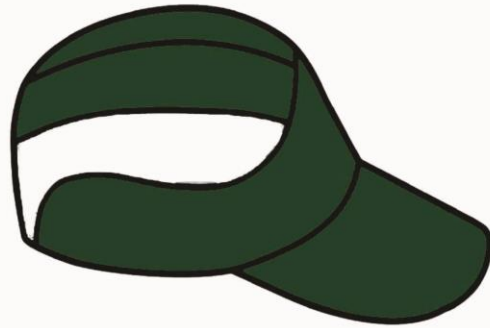

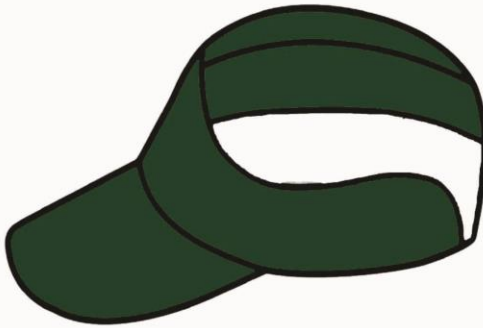

and top 3 men & women in these age groups:

13 & Under, 14-19, 20-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65 & Older
