Sponsorship Opportunities

Unlike many other diseases that are awaiting a cure, malaria was eliminated in the U.S. in the 1950s. However, in Sub-Saharan Africa, malaria continues to kill a person every 60 seconds. But there is hope! Imagine No Malaria is part of a global partnership and together with our partners, our generation can beat malaria once and for all.

At The United Methodist Church of West Chester, we know that it is in our power in fact, it is our mission to do something to help prevent this loss of life. That's why we have been hosting the Beat the Bug 5K Run/2K Walk since 2012 to raise funds and awareness about eradicating malaria.

In 2016, we're holding the 5th Annual Beat the Bug 5K Run/2K Walk and we are asking for your help. The 2016 Beat the Bug 5K Run/2K Walk will take place Sunday, April 17, 2016. The run/walk will take place on the streets of West Chester and we have received a permit and the commitment of many volunteers for the event.

Financially, our goal is to have enough donated funds to cover the expenses of the race so that all registration money can be sent directly to *Imagine No Malaria.*

We have designated three levels of sponsorship:
- Gold for a gift of $500,
- Silver for a gift of $250, and
- Bronze for a gift of $100.

Would you consider making a donation toward this effort?

Donations of any amount are appreciated and we recognize all financial supporters. All gifts will be tax deductible to the fullest extent of the law.

Please email BeatTheBugRace@gmail.com if you are interested. Thank you.

IMAGINE NO MALARIA

Imagine Saving Millions Of Lives

The people of The United Methodist Church

We will send 100% of the run/walk registration funds to Imagine No Malaria to help save lives.

About Imagine No Malaria:
Every 2 minutes, a child in Africa dies of malaria. Malaria is both preventable and treatable.

Through this race, you will provide support to Imagine No Malaria, a campaign that seeks to eradicate malaria in Africa.

This is not just a campaign against a disease that kills children and destroys families. It is a movement to make real change through its four major components:

- Prevention,
- Treatment,
- Education, and
- Communication

We seek to empower people to be part of the solution by giving them the tools to fight this disease.

For more information about Imagine No Malaria, please visit www.imaginenomalaria.org.
