

ABOUT MLAR

For us, it's a race against time. Main Line Animal Rescue receives an urgent call that a dog is in trouble and needs immediate medical care. In order to save his life, we arrange transport, alert our doctors and prepare our staff. We pray he makes it and lives to see another day - a day free from neglect and abuse and fear. Then we say a give thanks for all the generous donors who make it possible for us to help over one thousand dogs and cats just like this every year.

For you, it's a chance to race one of the most beautiful courses in Chester County. It's a chance to compete for the gold, testing the limits of both body and mind. And while you're pushing for a better time, you'll be providing our animals with better times in their new homes.
