

February 5, 2026

Dear Supporters,

It's that time again! We're preparing for our **Don't Stall, Just Call 5K Run/1-Mile Walk & Tot Trot on April 25, 2026** at the lovely Temple University Ambler Campus.

While many already know, this powerful mission began as a way to remember my son Christian, a junior in college, who tragically died in 2015 from alcohol poisoning at school. Thanks to supporters like you, DSJC now funds an endowed scholarship at Temple University and fuels life-saving education and wellness initiatives throughout the year.

We hope you'll join us again and help make 2026 our most successful year yet. Last year, we had **399 participants** signed up—let's surpass that together!

Our mission is simple but vital: **prevent alcohol-related deaths through education and awareness**. Our trainings teach audiences how to recognize the unmistakable signs of alcohol poisoning—stumbling, mumbling, cool to touch, vomiting and unresponsiveness—and to empower oneself to call 911. These presentations have saved lives, possibly one of your children or even a grandchild. We are committed to redirecting young people toward healthier, alcohol-free ways to connect and have fun.

You can help by joining us as a **Sponsor, Donor, Supporter, Volunteer, or Participant**. Your support allows the CTC Wellness Foundation and Don't Stall, Just Call to continue delivering multi-platform education—from in-person presentations and social media campaigns to billboards, radio commercials, etc. as impactful safety reminders.

**No one is invincible. Together, we can prevent senseless deaths.**

With heartfelt gratitude,

**Mary Ciammetti**

Founder, The CTC Wellness Foundation

Don't Stall, Just Call

# Don't Stall, Just Call 5K /1 Mile Walk Sponsorship
