

From the Central Valley to the sea, the Feat to the Beach Relay will provide you with 200+ miles of great memories.

Starting at the Fresno Clovis Rail Trail at Nees & HWY 41 underpass in Fresno. The course will quickly lead out of the big city and follow scenic, country roads as it winds through many small rural towns, on your way to the central coast. The finish line will be on the beach where you will be able to rest and recover with your toes in the sand.

Your team will consist of a maximum of 12 people (4 person minimum) team and rotate through 36 transition areas as you seek out those ocean waves.
