What to bring to check in and pick up your bib number:

Embroidered Cap Pick Up: If you pre-purchased a Davis Moonlight Run embroidered cap, you can pick it up at registration when you pick up your bib and shirt.

Cancer Champions Pizza Fundraiser at Lamppost Pizza on Friday: After you pick up your packet, we invite you to hang out at Super Owl and enjoy a cold beer, and/or make it dinner by getting a pizza at Lamppost Pizza (next door). Lamppost will be donating 15% of all medium, large and XL pizzas purchased from 4-8 pm on Friday, July 17 to Cancer Champions. Be sure to mention the fundraiser when you are placing your order.

We ask that you please wear the bib somewhere on the front of your body (shirt, leg of shorts). Please do not wear it on your side or back. Safety pins will be available. Your bib color helps our course monitors direct you appropriately as well as identify you to the photographers and timers. In order for you to be identified in your race photos, please ensure your bib is on the front of your body, not on the side of your leg, or obscured by clothing or other items.

Hydration

-- Your hydration plan should begin on Friday. Do not start the weekend dehydrated.

-- Be sure to drink water and electrolytes throughout Saturday in the daytime.

-- Eat foods with high water content; melons, grapes, apples, bananas, cucumbers are all good options

-- Water stations will be located approx. as follows: 5K (Mile 2); 10K (Miles 2 and 4); 10 Mile (Miles 2, 4, 6, 8), plus at the start/finish. All stations will have water and Gatorade. We encourage participants to carry water or electrolyte replacement with you on the course.

There are many runner/walker oriented options such as hydration vests (shown above), hydration packs, hydration belts, and hand held water bottles. But even something as simple as a 12 oz

-- As a note, we do not provide single-use plastic water bottles at our events in consideration of their environmental impact, so these will not be available.
