

Saturday June 9, 2018

Brighton State Recreation Area

5210 Bishop Lake Rd., Brighton, MI 48116

Location: Brighton State Recreation Area **Start time:** 1 Mile: 8:30AM; 5K: 9:00AM **Events:** 1 Mile Fun Run/Walk, 5K Run

The Prowling Cougar is an intense road and trail race at beautiful Bishop Lake State Park. The race is to help support two great causes. First, we support a local charity selected by the cross country team and second to support the Men's and Women's Cleary Cougar Cross Country teams.

Both courses start and finish overlooking beautiful Bishop Lake. The mile is a fun run/walk for kids and adults. It runs almost entirely along the side of the lake on a 10' wide dirt path. The 5K will take you on a beautiful tour of the park running you through the rustic campgrounds on a 2 track, through the woods on the dirt park road and single track hiking trail. It is a beautiful and challenging course with lots of things to see and plenty of hills to test you.
