

Monforton School Foundation

Supporting Education Excellence In Our Schools

Our Mission

The Monforton School Foundation believes in the importance of excellence in education. As a result of unpredictable funding and ever-changing needs in the public education system, it serves as the primary mechanism for providing funds to develop, foster and encourage excellence in education at Monforton School.

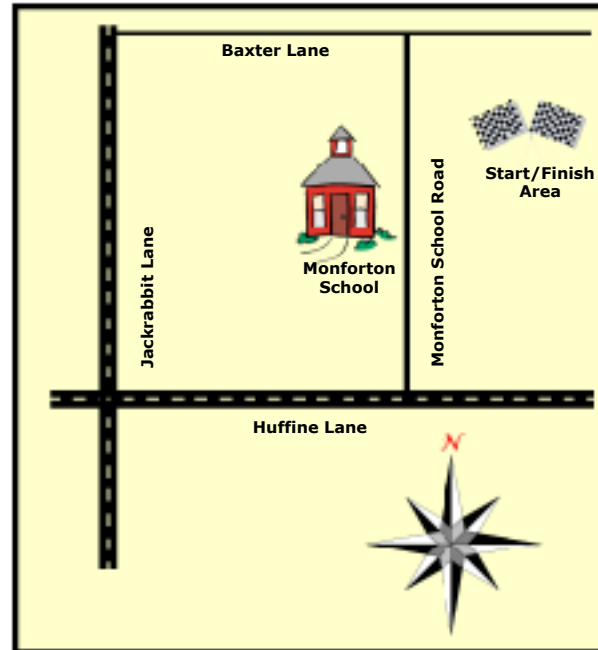

Our Goal

Our goal is to promote public awareness and involvement in the school, as well as provide support for the faculty and students to promote, sponsor, and carry out the education objectives of the district in the areas of technology, art and music, support services, curriculum and instruction, experiential learning, and athletics.

Donations are gratefully accepted

The moderately challenging 5K course of Monforton Miles offers runners beautiful and panoramic views of the majestic mountains surrounding the Gallatin Valley.

The 5K and 1 Mile Kids Fun Run start and finish just North of the Monforton School building on Monforton School Road between Huffine Lane and Baxter Lane.
