Weather - during the summer in South Carolina it is highly unpredictable. It is possible that the meet may need to be cancelled or delayed due to thunder & lightning, heavy rain, tornados, flooding, windstorms or other unforeseen circumstances. In that event, registrants will be transferred to a make-up date to be determined. If registrants can't make the new date, there will be no refunds, but those registrants may be able to transfer their entries to another person.

Travel - It is highly recommended that those traveling by air either do not pay for non-refundable tickets or purchase trip insurance, which is usually reasonable. It is also recommended that any hotel reservations are refundable if cancelled.

COVID or other communicable illness or disease. - There will be no specific restrictions, but athletes, spectators, volunteers or officials are expected to maintain CDC recommendation separations from others and to consider wearing face masks - especially if unvaccinated.
