Packet pick up will take place on **Friday November 7th 3-7pm** at location Rise Physical Therapy located at 2668 E Citizens Dr #5, Fayetteville, AR 72703.

You may pick up your packet on race day from 6:45-7:15 am at the start/finish line at the Spark Tent, however **please make an effort to get it on Friday**. It's a huge help to us for everyone to get their packets prior to race day! **PACKET PICK UP WILL CLOSE AT 7:15 am on Saturday 10/12.**

Important Bib Information: Your bib is customizable! We will have volunteers during packet pick-up to write your name or the name of the Hero you are running for on your bib! Also we are using a new timer who guarantees your chip time **IF you follow these rules:** wear your bib on your outer most layer (if you plan to start in a long sleeve and finish in an under layered tank- please attach your bib to your tank top), your bib will come with 2 shoe tags, tie one on each shoe, if your shoes do not have ties, attach the shoe tags to your shorts at the hip. **After the race, please return your chips to the timer- they recycle them!**
