

## ChesLen Preserve

Proceeds from this event benefit ChesLen Preserve, one of 42 nature preserves owned and managed by Natural Lands Trust. Since 1953, Natural Lands Trust has preserved more than 100,000 acres of land, providing healthy habitats, clean air and water, bountiful recreational opportunities, and scenic beauty to millions of people.

The picturesque ChesLen Preserve features sweeping fields, densely wooded stream corridors, and rare serpentine barrens. The preserve is open to the public—free of charge—during daylight hours seven days a week. With eight miles of trails, it's a popular destination for hikers, runners, birders, nature enthusiasts, photographers, and families.
