the Montgomery Services of

Glenwood
Autism & Behavioral Health Center

Thank you to the
River Region Runners
for their support & race day services

The Center for Child & Adolescent Development (CCAD) was acquired by Glenwood, Inc. in October 2015 to allow both organizations to better serve families in the Central Alabama region. CCAD was the successor agency to David B. Monsky Developmental Clinic that operated from the 1950s through 2005.

The mission of Glenwood is to provide behavioral health care and educational services for individuals with Autism Spectrum Disorder and severe emotional disturbances. Our services are provided in a least restrictive setting, through a continuum of care, with the highest respect for individuals and families served. In addition to direct care services, Glenwood provides consultation and training for mental health and educational professionals and promotes research in these specialized areas. Glenwood, Inc. is a 501(c)3 nonprofit organization.

Glenwood's Montgomery services provide screening, comprehensive diagnostic evaluation and therapeutic services to children and adolescents as follows:

- Autism Assessment Clinic
- Applied Behavior Analysis therapy for children diagnosed with Autism Spectrum Disorders
- Developmental screening of infants and toddlers
- Individual and family counseling
- Speech and Occupational therapy evaluations and treatment
- Psychological & psycho-educational diagnostic evaluations
