Canal Run Gives Back was launched in 2012. The donations are Canal Run's way to give back to the community. The growth of this race over the last few years is truly a community effort and the Canal Run Organizing Committee is delighted to be able to share that success with our local non-profit organizations through this campaign.

Organizations and/or Projects must be local with a 501c3 non-profit status (if applicable), must ensure that the donated money will stay in the community, and must demonstrate that the majority of the donation will be used for projects, not promotion of the organization.

Deadline for applications are one month following the event for review by the Donations Committee. The committee will accept applications anytime before this deadline.

Please provide the information requested below to be considered for the **Canal Run Gives Back** donation :

Proof of non-profit 501c3 status

*Mission Statement of organization

*Other program information, newsletters, and other written material which best explains why your organization or project qualifies for the donation.
