

## About Jersey Boys State

### *A Week That Shapes the Future*

ALJBS is a week-long experience that educates, trains, and inspires New Jersey's youth so that each statesman may become a lifelong leader of character committed to service, respect, and Americanism.

Together, all of the delegates form the mythical "51st" state of the union each year, where they elect their own local, state, and national representatives. Activities at ALJBS include legislative sessions, general assemblies, court proceedings, athletics, band, and career seminars, among many others.

All expenses are typically donated by a sponsoring American Legion Post, a local business, or a community-based organization.

- Since 1946, approximately 56,000 New Jersey rising-seniors in high school have attended ALJBS tuition-free.
- More than 170 former statesmen, Legionnaires, and community leaders donate their time to make ALJBS one of the most worthwhile weeks of every statesman's life.
- Notable former statesmen include: Governor Chris Christie, US Senators Bob Menendez, and Cory Booker, Supreme Court Justice Sam Alito, and many others.

## About the Foundation

The New Jersey Boys State Foundation, established in 1999, is a 501(c)(3) not-for-profit charitable organization that strengthens the American Legion Jersey Boys State financially and by other means to help keep ALJBS tuition-free to all attendees.
