

# Ralya Elementary's Annual "Race for Ralya"

**Mission:** It is our mission to enhance the education of our students by means of special projects that go beyond the average school experience. This includes study trips, updating technology for student use, extra physical education activities, creative arts education, and other unique classroom opportunities. In order to facilitate these projects we need your help. Please consider helping the Ralya Elementary students by sponsoring our 9th Annual Race for Ralya. While supporting worthwhile educational programs within the school you will also be encouraging fitness opportunities and awareness throughout our community.

## Benefits of Supporting:

- Creating opportunities for the students
- Local community businesses and community members coming together to actively support education
- Recognition on the "Race for Ralya" T-shirt
- Recognition on the Recognition Wall at Ralya Elementary School
- Volunteer opportunities on Race Day
