

# MSQ 10K, Prospect Park, Brooklyn

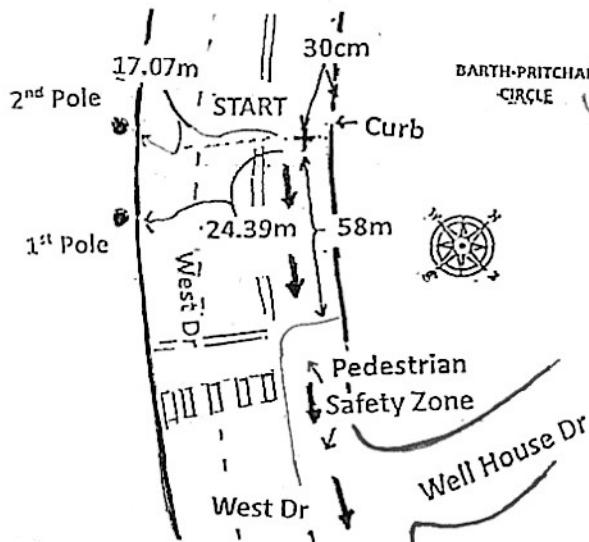

Runners are restricted to the inner of three traffic free lanes, the lane reserved for pedestrians (except to cross over to the finish on the road to Barth-Pritchard Circle). They may not run in the two bicycle lanes nor on the safety striping to their right. Run is conducted over 1.843 loops of the Prospect Park Pedestrian Lane (One loop = 5,365m) & a short 123m run to the finish to the W on the Barth-Pritchard Memorial exit/entrance. Runners may take the shortest route possible within the pedestrian lane.

(See Supplemental page for Course Narrative.)
