

## PAW PRINTS 5K WELCOME PACKET

On behalf of the Friends of the Burlington County Animal Shelter - welcome to the **Paw Prints 5K Run/Walk PetFest!** Your support will help our organization fund advanced medical care, low cost spay & neuter, TNR, foster, and more initiatives directed at helping every homeless animal in the county's shelter, find a loving home. In addition, you'll be helping us expand our reach into the community with our goal of becoming a no-kill county by 2025.

### As you may not know:

- Burlington County is the largest county in the state and has only (1) shelter to accommodate the 5,000+ dogs & cats that enter every year.
- Because it is a county shelter, all strays and surrenders must be accepted, regardless of circumstance.
- The Friends of BCAS is a 501c (3) organization separate from the shelter and receives no government funding, only private donations. This support allowed us, in 2020 alone, to fund 1,600+ surgeries in addition to other activities.

### ACCOMPLISHMENTS

In addition to the many shelter animals we've helped receive a second chance this year, we've come to the aid of Burlington County's residents and their pets impacted by COVID-19. For the past several months, Friends of the Burlington County Animal Shelter continues to provide both dry and wet pet food to four local pantries so that pets can stay in their homes and not be surrendered to the shelter.

### TOOLS

We're here to help! There are numerous resources available through the participant center and I am here to help answer any questions, as well as support you, in your fundraising journey.

### WHAT SHOULD YOU DO NEXT?

- Set a goal, what do you want to achieve?
- Make a self-donation and ask others to match our gift
- Share your personal story about why you are participating on your Personal Page. Add your pet's photo
- Create a plan and a complete list of who you will be reaching out to for donations. Remember, you'll qualify to earn great prizes too!
- Determine what donation amount: \$10, \$20 or \$50 – cater your ask to the individual. No donation is too large or too small.
- Be confident and make your ASK!

I am here to support you every step of the way. Let's save some animals lives together!

# NOW LET'S GET STARTED!!

## STEPS TO SUCCESS:

1. Upon confirmation receipt of your registration via email, there is a link provided that reads "manage registration". Click on it and then click "manage registration" a second time in the next window.
2. Click on "Fundraiser" found on the black band, top righthand side of the screen.
3. You are now at the "Edit Fundraiser" section.
  - a. Set your goal. Remember raise \$100 and you'll receive a performance race shirt. Raise \$250 and you'll earn VIP status plus more!

  - c. Edit the content in the generic paragraph with your own personal story. Let others know why their donations are important to you.
  - d. Upload a photo of your pet
  - e. **SAVE CHANGES**
4. Click on "Links/Sharing at the top of the page. Use the power of social media to post about your commitment and fundraising efforts. Make a plan to send out a message every two weeks. Include a story or an update about your fundraising progress.

## 5. Ask, Ask, Ask.

People may not read your first post, or, they did and had the intention of donating but got distracted and have forgotten. Everyone leads busy lives. A gentle reminder is always appreciated.

# FOOLPROOF FUNDRAISING

## Begin with yourself

Kick-start your fundraising by making a self-donation of \$20. This is separate from your registration fee. It's a great way to showcase your support for the cause.

## Double your donations with matching gifts

Your donations can go even further with a matching gift! Many companies offer matching gift programs in which the company will match an employee's contribution to a charitable organization. If you are not sure if you qualify for a matching gift, ask your company's human resources department.

## Use your Sphere of Influence

Who do you know? The **#1 REASON** people do not donate is because they were never asked. Make a list of everyone you know, from friends and family to your mailman and vet. These are the people who are most likely to donate toward your fundraising efforts! Use the Sphere of Influence to help you think of potential donors and then make your ASK!

## Want to raise more?

People who write letters for contributions are five times more likely to reach or exceed their fundraising goal! Just write a letter explaining what it is that you are doing, why you are doing it, and how people can sponsor you with a contribution to the Friends Of Burlington County Animal Shelter. Then mail or hand deliver it to family, neighbors, work and service providers (accountant, lawyer, dry cleaners, bank, mechanic, hairstylist)
