Course Route Details

Start and Finish the same line. In the parking lot north of Baseball Diamond #1, at the wooden pole behind the backstop.

Race Route:

Facing East and going East to Brady Street.

(Course Marshal needed to direct runners South on Brady and to redirect them back to the finish of the race. A blockade, cones or barricade, and Marshall should be placed at Cherry Street, North on Brady to control traffic).

South on Brady to the trail entrance at Morley Street.

(Marshal and barricade at Morley to direct runners to the trail and to direct traffic East on Morley).

1 Mile point: Just past the wooden bridge over the river in the woods, 15 steps before the "Yellow curve sign"
(Volunteer will have to walk to this point from the parking lot east of East of Andiamo's Restaurant).

Participants cross Fair Lane Drive near Richard Drive and continue on the Trail.

(Marshal needed here for cars coming in both directions. Perhaps blockades needed before cars will reach this point, volunteers can park at the lot located at Fair Lane Drive and Richard Drive, only a few steps away from the Marshaling point).

Course 1/2 way point turn-around: At the North driveway of the Pony Barn, participants make a U-Turn onto Fair Lane Drive, that goes along side the trail, and return to the Gateway Trail at the next driveway. At this point participants will be going in both directions on the trail.

Cross Fair Lane Drive.

2 Mile Point: South of Fair Lane Drive, 10 steps before the "Yellow curve sign"
(Volunteer can walk to this point, parking at the lot located at Fair Lane Drive and Richard Drive).

Participants leave the Trail at Brady and Morley Streets, turning right, North, and continuing on Brady.

Participants turn left, west, at the driveway entering Ford Field.

3 Mile Point: Just after entering the park behind the backstop of Baseball Diamond 2 and across from the "Picnic Area 1" sign.

Finish: Same as the starting line at the wooden pole behind the backstop of Baseball Diamond 1.
