Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: **2031**

SUFFOLK MARATHON Course Narrative
42.195km/26.21876mi
Babylon, NY

Course Restrictions:

For the 1st 2.5mi, runners have full use of roadways and may take the shortest route available (SRA). East of the W edge of the intersection of Montauk Hwy & NYS 231, runners are restricted to right of center lines, except when crossing over on to the W-bound Montauk Hwy exit from the Robert Moses Causeway (RMC). On the RMC, runners are restricted to the inside (W-side) lane of the N-bound lanes while running S, and to the outside (E-side) lane while running N, cones are placed along these lanes to delineate the running lanes. (Where there are three lanes, the center lane is for emergency use.) When running on the N-bound Captree exit from Ocean Pkwy, runners are to stay right of cones placed in the center of the roadway to and from the return from, the Ocean-Captree Bikeway. On the bikeway, runners may take the SRA, as measurement was done point to point (There was no way to cone or monitor the center lanemaking for 6+ miles out & back.) After returning in the outside (E-side) N-bound, runners may take the SRA on the RMC N-bound exit E to Montauk Hwy. Runners are again restricted to the right of center lane markings E-bound on Montauk Hwy. After the Gardiner County Park entrance, runners may take the SRA. Runners have full use of the roadway within restricted lanes.

Course Narrative:

Start: PK nail into the intersection at the SW corner of Deer Park Ave & Railroad Ave in Babylon; 5.69m NE of stop sign on SW corner & 3.44m N of corner of drain on SW corner.
