## Race Mission

St. Patrick School, founded in 1894, strives to provide

students, preschool—6th grade, with a solid spiritual and academic foundation on which to build. Our students come from various communities and religions, yet our family atmosphere brings us all together. It is our intention to maintain and strengthen our presence in Venango County and conduct a variety of events that foster community involvement. This region has a wonderful resource in the Samuel Justus Recreational Trail and we hope to promote our school while also showcasing the natural beauty that highlights the Franklin area.

Also planned:

- ◆ Food vendor!
- ◆ Bounce house!
- ◆ Fun Irish-themed photo booth!
- ◆ Free obstacle course for little ones!

Join us for a fun, family-friendly day and see what we're all about!
