

CHESLEN PRESERVE

Natural Lands' ChesLen Preserve is the largest publicly-accessible, privately-owned nature preserve in Chester County. Miles of marked hiking trails lead visitors through shady woodlands, flower-filled meadows, stream valleys, and fields of corn and soybeans.

Natural Lands is committed to creating opportunities, right here in our region, for joy and discovery in the outdoors for everyone. In other words...“nature for all.” That’s why we make more than 20,000 acres of nature preserves open to the public, free of charge.

Sponsorship provides the opportunity to stand with other regional business, civic, and philanthropic leaders in ensuring nature for all. Event proceeds advance Natural Lands’ priorities for saving open space, caring for nature, and connecting people to the outdoors.

For more information about sponsorship, contact Heather Smith at 610-353-5587 x258 or hsmith@natlands.org.
