

6000 SISTERS, 6000 STEPS FOR HOPE

BREAST CANCER WALK & HEALTH EXPO

Dear Friend,

Sisters Network Dallas Inc. invites your organization to join us for our 2026 Breast Cancer Walk and Health Expo on **Saturday, September 26, 2026**, at **Friendship-West Baptist Church, 2020 W. Wheatland Road, Dallas, Texas 75232**.

Our theme, "**6000 Sisters, 6000 Steps for Hope**," highlights the more than 6,000 African American women in the United States who lose their fight with breast cancer each year.

Breast cancer remains one of the leading causes of cancer-related deaths among African American women. Sisters Network Inc. is committed to bringing awareness to the devastating impact breast cancer has on the African American community. As an affiliate of this National organization, Sisters Network Dallas Inc. asks for your partnership in helping us expand our outreach to women and men throughout the DFW area with the life-saving message of early detection and healthy lifestyle practices that promote breast health.

Proceeds from the walk will support our local programs, which provide:

- Community education and outreach
- Mammogram assistance for uninsured and underinsured women
- Financial support for women facing challenges during treatment
- Survivor support services and additional community resources

We are excited about the opportunity to partner with organizations like yours and would be honored to have your organization represented by a team at the walk. If forming a team is not possible, we ask that you please consider one of our sponsorship opportunities.

For sponsorship information and registration details, please visit our website at:
