Introduction

Every child deserves a safe, loving, and stable home. Yet, in our community, hundreds of children face the trauma of displacement due to challenging family situations. Bridge a Life is committed to building a bridge between foster, adoptive, and kinship families and the support they desperately need. The annual Superhero 5K is not just a race—it's a movement to transform lives.

When your organization sponsors the Superhero Race, you become an essential partner in our mission to ensure no family walks their journey alone. Your support directly helps us provide:

- Training & Resources ●
- Community Connections ●
