

BE A SUPERHERO FUNDRAISE FOR THE KIDS

Look at the smiles on these faces! These are kids who have found a home and a future thanks to For Kids' Sake.

It warms my heart to share their happy stories. That's why I raise money for the Superhero 5K - so more kids will smile like this.

I also love how volunteers, business sponsors, churches and civic groups come together for the For Kids' Sake Superhero 5K. With the race going virtual, there's a chance for even more people to get involved. This year, you can run anywhere in the galaxy knowing you're part of an international effort to support kids in need.

In this time of uncertainty, the Superhero 5K lets the best within us shine. Together, we celebrate a shared belief that everyone deserves a chance to lead a happy, fulfilled life. Thank you for being a Superhero for kids in need. Your efforts truly matter!
