

Teal Diva focuses on the mental and emotional health of those affected by a gynecologic cancer. Our goal is to meet our community where they are by connecting with newly diagnosed women, survivors, and their support network. Our programs include, but are not limited to active treatment support, celebrating survivorship, and honoring legacies, all while providing strength through connection. Teal Diva strives to touch every woman diagnosed with a gynecologic cancer. We honor and celebrate those who have joined or have been impacted by this unique sisterhood. Our shared stories foster strength, hope and resilience.

We are not specifically targeting the tumor. There are a lot of amazing organizations and people working on research. Our community outreach is designed to bring women together outside of the clinic as well as educate young women on the signs and symptoms of the disease.

We are requesting sponsorship for our 7th Annual 5k for Ovarian and Gynecologic Cancers on Saturday, September 30, 2023. The event will start and finish on Little Main next to Hutchinson Square Park in downtown Summerville, SC. Proceeds from the 5k will allow Teal Diva to continue making a difference in the lives of those within the communities we serve through quality-of-life programming and community advocacy!

In this packet:

- Sponsorship Options
- Commitment Confirmation

Please review and reach out with any questions. Thank you for your consideration.
