

Exit at the far driveway. Ride down 20th St. Cross Harrison. (A police barricade will be in place for safety.) Continue on 20th to Highland Rd. Watch for volunteers. The right turn from Highland to Main St. is very, very sharp and at the bottom of a hill. Ride down Main St. (The old highway) to the four-way stop. Take a left. Enter UACCB. Circle the lot at the four corners. Exit and go back to four-way. Take a right. Cycle to North Complex and turn around. Go back the way you came, straight through the four-way intersection to Highland, 20th, cross Harrison with caution and return to the Community Center the same way you exited.
