Lily's Hope 5K Registration

A Message from The Weaver Family about Lily's Hope 5K

After five years of remission, Ewing's Sarcoma is back. Lily, now, age 16 is older, wiser, stronger, and ready to beat cancer again. The past five years have left Lily constantly giving back to her community through PPF and Lily's HOPE, helping other families who are faced with cancer. Last year Lily became a childhood cancer advocate with TheTruth365, speaking in front of thousands demanding that childhood cancer gets more than 4% of funding. Lily has a tough road ahead of her with treatment, however, we know with Lily's twinkling personality, her strong faith, and the love of family, friends, and this community, cancer won't know what hit it.
