

2015 FINISHERS MAGAZINE

Race Director Note:

First of all, congratulations to our winners: hometown back to back winner, Ben Ruffing and Laena Romond, who avenged a close 2014 2nd place finish to Beth Cristini by beating Beth this year by 8 seconds. Ben's time of 17:22 crushed the course record. Congratulations to all our runners who overcame the mile 2.5 hill and finished strongly. I can't explain how great it is to see families running together and often finishing together.

With the hectic nature of the race, I unfortunately don't get to talk to too many runners on race day. Two young ladies I did get to talk to were Piper G., our National Anthem Singer – wow what a voice – and Kamryn and her parents. Kamryn, a 5 year old, ran the course in 11 minute miles and liked it!! I always enjoy talking to Sherman Bull, 79 years young, who again won his age group and is looking forward to a new age group next year (so are all the other 70 year olds who will be happy to see him leave their age group!!).

Simply put, we could not do this thing without our incredible volunteers. Thank you Sun Family, Dave Shuford, Janet and Janet Bonomo, Lenore Pranzo, Evan Bassett, Lisa Mazinski, Julia Pemberton, the Redding Running Club and my family, who amazingly continues to let me direct these things.

- Lisa, Mike and Dave, along with their huge pack of Scouts, really make this whole thing run smoothly. They're organizational skills and generosity with their time is unbelievable.
- A special thanks to Sgt. Quinn of the Redding Police Department who has been the officer in charge for all of my races over the years. He, and the other officers, really cares about your safety and, by your comments, I think you know this.
- A thank you to one Scout, James N. and his father Ruben who raised over \$500 in sponsor donations.
- As for our first selectman, Julia Pemberton, she wouldn't want me to mention this but too bad!! Julia was up at 3:30am Thanksgiving morning so she could get to the Redding Community Center and get the coffee going for our runners. Julia isn't only doing great things in our town, but, obviously

she cares quite a bit about it. Our other two Selectman, Leon and Michael were also very much involved in the race.

Looking back on Thanksgiving, I'm amazed, humbled and immensely thankful. One of a race director's toughest tasks is pre-ordering all the gifts: shirts, finishing medals, etc. Of course, if you don't give any of these things out (like a lot of races) then it's easy, but that's not the way we do things in Redding. The first two years we had around 700 runners (the 2014 race was severely hampered by the weather), so when I ordered 1,000 finisher medals in June I was thinking I may be a bit crazy. Come the Sunday before the race, when we sold out with over 1,000, you made my purchase appropriate – so thank you!!

Lastly, please know that you are helping to do a lot of great things in our community. The monies we've raised in this race (and its sister race, The Redding Road race) really have made a difference. Here are some of the great charities you've helped us donate money to:

THE ADAM FELD FUND

Adam was diagnosed with brain cancer in 2011. He was 29 at the time, had his own home, his own car and a good job as a Defense Analyst. At the end of June 2011 his life was changed forever.

Sloan's surgeons removed as much of the tumors as possible. Due to the nature of the cancer it was impossible to get it all and he were told it "would come back". Adam returned to work after weeks of recovery and did his absolute best after 6 months of radiation and about 2 years of chemo. He had some deficits but was able to carry on because he was incredibly brave and strong willed to lead a normal life.

Adam had 3 years of "stable" MRI's until this past May 2015 when something was spotted. Adam had just turned 33 years old.

He went back to Sloan for proper MRI's and then Adam received the really bad news that the cancer was back full force in 3 spots in his brain. They were inoperable. Adam went to Yale, Columbia and Sloan for medical advice, scans and tests most of which he had to pay for.

Sadly, Adam passed away but unfortunately a lot of bills remain for his family. If you are thinking of donating money this holiday season, please consider the Adam Feld Fund: <http://www.gofundme.com/h95w8ramk>

FROM THE FELD FAMILY:

Dear John McCleary and The Great Turkey Escape,

A million thanks for the huge donation to Adam's fund. We were so surprised and grateful to see the posting on GoFundMe.

Thank you to every family who contributed.

We are doing everything possible to heal our broken hearts and find a way back in the world without Adam.

The holiday season is especially hard on all of us (in the world) who have lost a loved one.

With love and appreciation,
The Felds

THE CHASE FUND

<http://www.cmakfoundation.org/>

In remembrance of Chase Kowalski, the students and educators of the Sandy Hook tragedy, CMAK strives positive force to inspire community healing through family and children-focused initiatives and programs. By focusing on emotional healing and physical health & wellness, we will positively change the lives of children and their families.

Chase's best friend, Quinn McGuire, along with the McGuire Family all run the Great Turkey Escape in his honor and the Great Turkey Escape makes a donation to the Chase Fund on their behalf. Quinn was not a runner but he is now!! I'm told that Chase's Mom may run the race next year.

Chase and Marybeth

About Us

Vision: To turn tragedy into triumph by healing and strengthening our families and communities.

Mission: In remembrance of Chase Kowalski, the students and educators of the Sandy Hook tragedy, we will be a positive force to inspire community healing through family and children-focused initiatives and programs. By focusing on emotional healing and physical health and wellness, we will positively change the lives of children and their families.

History: Chase Kowalski was an amazing son, brother, and friend who was taken from us on 12/14/12 in the Sandy Hook Elementary School tragedy. Chase's heart was filled with love and he touched all of the people that he came into contact. He loved sports of all kinds and had an incredibly competitive spirit. Among Chase's favorite sports were baseball, auto racing, and running. In fact, Chase began running competitively at age 2 in track races. At age 6, Chase asked to be entered

into his first triathlon – in his first ever competition, he took on the field and won his age group!

Goals: The Kowalski family wanted to capture Chase's competitive spirit and vitality in creating a charity in his honor with a focus on health and wellness for children and their families. CMAK (Chase Michael Anthony Kowalski) Sandy Hook Memorial Foundation has pursued programs and initiatives that encourage personal improvement, healthy lifestyles and strong family and communities.

CMAK (Chase Michael Anthony Kowalski) Sandy Hook Memorial Foundation is a 501(C)(3) organization. Contributions to the foundation are tax deductible.

RES PTA

The Redding Elementary School PTA is a not-for-profit, national and state affiliated Parent Teacher Association. Established in 1988, the PTA's overarching goal is to build strong working relationships among parents, teachers and schools, in support of students. These goals are accomplished through fundraisers and programs run solely by the efforts of volunteers.

REDDING BOY SCOUTS

The race is also helping to send Boy Scouts to Philmont Scout Ranch, the Boy Scouts of America's premier High Adventure base. Philmont challenges Scouts with over 214 square miles of rugged northern New Mexico wilderness, backpacking treks, horseback cavalcades, and training and service programs offer young people many ways to experience this legendary backcountry. A special expedition made up of Scouts from multiple Troops from the area is currently training for this adventure, and will depart for the mountains this summer!

REDDING HISTORICAL SOCIETY

The Redding Historical Society is a non-profit organization with a mission is to educate, preserve and to promote Redding, Connecticut's rich historic heritage.

REDDING SOCIAL SERVICES

Last year the race bought a commercial size freezer for Social Services to allow it to expand its food intake program. This year we're going to buy 15, or so, \$50 gift

cards from Caraluzzi's for Social Services to distribute to families in need this holiday season.

NRVT FUND

The Norwalk River Valley Trail (NRVT) project aims to build 38 miles of multi-purpose trail connecting Calf Pasture Beach in Norwalk, Connecticut, and Rogers Park in Danbury, passing through Wilton, Ridgefield, and Redding on the way.

In addition to creating recreational opportunities for walkers, hikers, cyclists, kids, pets and - on some stretches - equestrians, the NRVT will offer a green and healthy transportation alternative to reach rail stations, schools, offices, and businesses.

Our donation to the NRVT Fund is earmarked for the Redding section.

HELLO REDDING!

This exciting and very timely not-for-profit e-magazine is one of the best things to happen in Redding in a long time. Susan Winters does an incredible job of keeping Reddingites up to date on all of the area news.

TAILS OF COURAGE

Tails of Courage is a Christian based national non-profit organization committed to helping our communities. Founded in 2009, by a survivor of the World Trade Center attacks in New York City on September 11th, 2001, in an effort to honor the heroes lost in the tragedy, the mission of the organization is to help as much as possible with various programs within the communities we serve. We welcome everyone, from all walks of life, all beliefs, all backgrounds, and want to have a positive impact on the world around us.

We are entirely funded by donations and depend on volunteers. At present, Tails of Courage has Chapters in Connecticut, Pennsylvania, West Virginia and California. We allow and even encourage children under the age of 18 to volunteer with the shelter dogs and cats. All children, regardless of age, may volunteer with Tails of Courage. Children under 13 must have an adult accompany them. We have partnered with local schools for children to obtain their community service, and most importantly to learn about the care of animals. Families volunteer together.

Our CT Chapter is home to our no-kill animal shelter located at 39 Smith Street, Danbury, CT 06810. Our adoption hours are every day from 9:30 AM – 5:00 PM. You do not need an appointment. We are always happy to answer any questions about adopting a new pet and will gladly provide any support you may need throughout the adoption process.

This is one of our Redding runners', Lisa Mazinski, favorite charities. She directs an August 5K in Danbury to benefit it. Lisa and her Mom also donate a ton of time to this race as they ironed all the patches on to the turkey hats and secured all the chips onto the bibs.

As you can hopefully see, you've made a huge difference in Redding!!

- It was an awesome race! Loved it. My friend took first for her age group, Nicole! My son absolutely loved it! Thanks for making it so amazing! Sue
- Thanks for organizing this remarkable race. My son Henry Welles ran in it for the first time and was pleased to finish 48th, and 3rd in his age group. We ate Thanksgiving dinner with his turkey trophy as a mini-centerpiece on the table! Thank you for all your hard work giving him the opportunity to participate in this local run! Best, Mary

- Thanks for a great race and getting the times up so quickly. I would only ask that next year you make arrangements to have that last hill lowered.
