4. **PRE-RACE STRETCH**

Chiropractor Jacqueline DeMayo has volunteered to lead a pre-race stretching session to help runners get limbered up for the Redding hills. She will also be available post-race to put your bodies back together!! More details will follow.

5. **IMPORTANT PARKING INFORMATION**

All parking this year is going to be on the farm – DO NOT TRY TO PARK AT THE WEST REDDING FIRE STATION. As always, we ask you to PLEASE CARPOOL AS MUCH AS POSSIBLE. Each year, I push the registration limit as high as I think parking will allow, and I want everyone to have a parking spot. When planning your trip on race morning, remember about the early start (7:15), the Mighty start (7:20) and the Half Marathon regular start (8:00). If you arrive around those start times, chances are you'll be delayed getting into the farm. If you can, plan to arrive early and grab some food, etc. If farm parking fills up (and it may), the Redding Police Department has given us permission to park on Umpuwaug Road.

6. TRAIN SCHEDULE DURING THE RACES

Barring any unscheduled maintenance trains, there are 2 Southbound trains and one Northbound train that pass through Redding on Sunday mornings, only one of which could affect runners. Half marathoners cross over train tracks three times and 7 milers cross over once. Good thing is these are short trains and only would delay a “lucky” runner about 15-20 seconds. Details:

- The 7:53am Southbound train stops in Redding at 7:53am. This would only delay an early start runner who’s running at a pace of 19 minute miles.
- The 9:48am Northbound train passes over the Topstone tracks (right before mile 10 for halfers and mile 3 for 7 milers). This shouldn’t affect any runners at the Redding tracks (Redding stop of 9:48am) but may affect runners at the Topstone crossing at approximately 9:45am. Halfers running a 10:30 pace may be delayed for about 15 seconds. The good thing is the train just passes by Topstone at 9:45am, there is no stop.
- The 10:53am Southbound Redding Train should not affect any runners.

7. DIRECTIONS TO RACE

7. Pre-Race Logistics

- **Arrive early** – grab some food and coffee as the main races **WILL START AT 8am and 8:35am**
- **Parking** - Drive in through the main entrance and follow the directions of the parking attendants. The circular parking area is for sponsors and medical only.
- **Huge Tent** (40'x120') – From your car, proceed to the big tent and pig up your race bag. We have over 30 volunteers for this process so, it should go smoothly. Find your bib number from the big board (if you don't know it already), grab your race bag from the first bib tables and go to the appropriate bib line (based on bib number). After getting the gifts, go to the food tent and grab some food, coffee, etc.....or go to the massage tent for a re-race massage.
- **Bib** - Timing Chip is secured on the back of your personalized bib; so make sure you wear it and keep the bib secured. Also make sure that the chip number on the back matches your race number on the front. Make sure to grab 4 safety pins. There are two different bibs for the two different races. If you switched races, you will still have the other race's bib color, but no worries as it will work properly.
- **Bag drop** – Located on the opposite side by the big tent where you picked up the runners packet. Alternatively, you can walk your bag back to your

car. You can also leave clothes at the start or THE FIRST AID STATION and we will transport them back to baggage pickup.

- **Portalets and bathrooms** - 25 port-a-lets near the tents, LINE UP IN SINGLE FILE LINE BEHIND EACH ONE THIS YEAR – IT'S SPEEDS UP THE PROCESS, BELIEVE ME. There were no lines last year.
- **Pre Race Massages** – provided by Tony's Kneaded Touch and his crew in the smaller massage tent located right past the finish line.
- **Vendors/sponsors** – Located under the tent.
- **National Anthem**- Will be sung at approximately 7:50am on the hay cart.
- **Proceed to start** after the national anthem (for halfers). 7 milers should proceed to their start after cheering on the halfers as they pass by.

8. RACE LOGISTICS

- **Starting location**- On the main loop of the farm.
- **Be on time** for the Cow Bell Start
- **Net chip timing** –We have timing mats at the start and finish for both races (there is smaller field for the Mighty cow 5K so starts mats aren't necessary).
- **Course turns and signs**
 1. "Caution, road race" signs on every street.
 2. "Aid station" signs before every aid station
 3. "Arrow directional" signs before every turn. The turns will also be marked in paint on the road and we'll have a sentry on every turn to make sure you don't make a wrong turn.
 4. Other, "fun" signs.
- **Aid Stations** – 9 aid stations for the half, including an orange slice zone, a candy zone (with Pepsi too) and a cold sponge zone (to cool off). For the 7 miler, 5 aid stations with all the specialty ones the half has. All aid stations will have water and Gatorade .They'll also all have basic medical supplies.
- **Police and medical** – Twelve police officers and 3 EMTs located on the course and a cardiologist (Dr. Harvey Kramer) at the finish line.
- **No dogs** allowed on the course or on the farm (except under special circumstances)

- **Please don't litter** – each aid station has garbage cans. Please keep your garbage in the vicinity.
- **DJ will be announcing names** as you finish.
- **The finish line** will be about 10 seconds after you go through the barn.

9. POST RACE LOGISTICS

- **Food** – Same as before the race plus pizza, New Pond Farm chocolate milk, cookies, muffins and other surprises.
- **Massage** – available after the race led by Tony Trujillo – Look for the massage tent right by the finish area
- **Award Ceremony** – If you think you may have won an award (three deep for both races in **5 year age group** categories) and can't stay around for the awards, please see us before you leave. Results will be posted as quickly as possible after the race. No double dipping of awards.
- **Please thank the volunteers and sponsors**

10. THE DAYS AFTER

- **Results** – will be posted as soon after the race as possible and on the website hopefully by Sunday night.
- **Send me your comments and pictures**
- **Finisher's Magazine** – will be on the site a few weeks after the race.
- **Please Patronize our sponsors** – It is a lot easier for a business to say “no” than “yes” to a sponsorship request. We are extremely lucky to have received unbelievable community support.

12. FARM TOURS

During the race, volunteers will be having tours of the farm for any spectators who may be interested. Sign up is at the New Pond Farm table under the big tent and is free.

13. A FAVORITE UPCOMING RACE

Mother's Day 10k (Norwalk) 5/10

<http://www.hitekracing.com/mothersday10k/>

This Don Capone run race is one of my favorites because it is very flat, well run (as all of Don's races are) and I don't have the pressure of directing it!! Come join us if you can.
