Registration for the **5K** will remain open online through Friday noon and again on-site Saturday. More details and registration can be found on the Run Sign Up registration page.

COURSE & CHECKPOINTS– *[The courses are subject to change, at the discretion of chapter leaders and/or race officials.]* The 15-miler and 50K from Navajo Mountain High School traverse challenging and stunning landscapes, including dirt roads, old doubletrack and trails. The route arcs around Lost Mesa, and includes dramatic views from the northeast side of the mountain. Runners will climb above Navajo Begay, along the 2006 fire site and in to Cha (beaver) Canyon, where they will make the turn and head for the high school.

The competitive 5K trail race is a scenic and tough run on local dirt roads; there are overall and age-group awards for this event, and the course will include support and race swag. The 5K will also begin and end at Navajo Mountain H.S., taking runners on a scenic and challenging course.

Aid stations will include Honey Stinger energy gels, salty, sweet and high carb foods, medical support, communication and fluids. The course is marked with pin flags, cairns and some signage; however, runners should study the course map and try to become familiar with the route. The course is subject to revision, at the discretion of race organizers and/or local leaders. Alternative routes may be utilized in case of bad weather.

RUNNER RESPONSIBILITIES: *Runners will need to be prepared for extreme weather conditions and have the appropriate gear to accommodate such conditions.* Appropriate rain gear and footwear are crucial. Hypothermia and heat issues can both pose a real threat in the high desert in the fall season, and runners must be prepared for the potential onset of such conditions. Aid stations will have generous supplies of fluids; however, **runners should plan to bring their own hydration system.**

AFTERNOON CELEBRATION – There will be a community cook-out from 2:00 til 5:00 p.m. at the high school, along with a live music stage all afternoon. The 5K race/run begins at 3:00 p.m., and will be followed by a truck-or-treating activity near the finish line!
