About Race Day

Please line up at the start of the race according to your pace. Faster runners towards the front, walkers, joggers and those with strollers please line up towards the back. The race is chip timed and your official time will not start until you cross the starting line.

The timing chip in your race packet **MUST** be placed on your shoe if you want an official time. Timing chips that are left in a pocket may not read. You can secure the timing chip to your shoe with the twist ties provided in your packet.

To view your results you can scan the QR code on your race bib. Do this by following the steps below.

1. Open the camera on your phone
2. A pop up will open asking if you would like to open runsignup.
3. Click the pop up and it will take you to the results page
4. Search by your name or bib number to view your individual results.
