

OUR MISSION

Founded in 2009, Mary's Place by the Sea was created to support women diagnosed with any type or stage of cancer. Located in the seaside resort town of Ocean Grove, New Jersey, this sanctuary invites guests to step away from their daily responsibilities to experience wellness retreats and integrative services that nourish the mind, body and soul. Serving women from coast-to-coast and beyond, Mary's Place offers two-night retreats, day retreats and virtual services. All services, private accommodations and meals are provided at NO COST to guests, thanks to the generosity of our donor community and fundraisers like our annual Walk-A-Thon and 5K run!

"There are truly no words to express my gratitude for the beautiful angels who give their time to pamper and care for the women who walk through the doors of Mary's Place. This was, by far, an unexpected and much-needed respite. "Thank you" does not fully express how grateful I am to have been given this gift of time to recharge."
