

Dear Previous or Potential Sponsor,

Drennen's Dreams Foundation is excited to be hosting the **8th Annual SplashDash, a family friendly, USATF certified, 5K run/walk to be held on August 2, 2020**. The SplashDash is a fundraising event supporting Drennen's Dreams national drowning prevention efforts. Drennen's Dreams delivers impactful presentations to lifeguards, aquatics professionals and facility owners. Our presentations enhance their training creating greater competency and vigilance. This makes pools and waterfronts safer for millions of children and families. Last year we reached over 450,000 of lifeguards and aquatics staff. The funds we raise underwrite our presentations enabling us to reach a growing audience locally, regionally and nationally. Why? Because there are nearly 3,600 drowning deaths in the U.S. annually, many of them children ages 1-15. Nearly five times that number suffer a nonfatal drowning that can lead to permanent impairment. Drowning is preventable and that is our mission.

Drennen O'Melia lost his life to drowning at a local community pool in 2010. This year marks the 10th anniversary of that tragic event. Drennen was someone who created a strong network of friends, family and community. Drennen's Dreams Foundation was created in his memory with a mission to promote pool safety and prevent drowning with the support of family, friends and our community. During our presentations Drennen's story has a profound impact on the lifeguards and aquatic professionals. In 2019 we launched our free mobile app providing a variety of drowning prevention resources. It has a subscription service for aquatic organizations to select in-service training for their staff. Our app will push the training modules to lifeguards' mobile devices, track to make sure they are completed and provide a report for managers. This raises the level of lifeguard and aquatic staff training, proficiency and vigilance.

The SplashDash begins and ends at the Arapahoe High School parking lot. The course winds through the surrounding Southglenn neighborhood in a loop that is relatively flat. We traditionally have 350-450 participants and broad community support. Event information is sent to over 100,000 in our region multiple times, pre and post event, giving sponsors exceptional exposure. Our goal is to continue to grow this fun event by reaching an ever widening audience. We are seeking sponsors for this year's event.

We hope you and your organization will consider sponsoring and joining us by staffing a booth on race day. You will have the opportunity to distribute your promotional items, sell merchandise, connect with runners and their families, and network with other sponsors. Sponsorship levels and benefits are listed on the following page. Please note that we are not able to offer electrical power or tablecloths. In addition to publicity to the community and media we list your logo on race t-shirts and banners and name you in race day announcements. You also receive free SplashDash registrations, based on your sponsorship level, valued at \$35 each. We are grateful for any and all support that you are able to provide and hope to see you on June 7th for this fun family and community event!

Please contact me if you have any questions. For additional information about Drennen's Dreams, please visit www.drennensdreams.org

Sincerely,

Scott Henderson
