Sponsorship Opportunity

Share the gift of life. Become an organ donor.

The Transplant 5K Run/Walk is scheduled for Sunday, June 17th at 9am. Held in beautiful Hawk Island County Park, this event is a one of a kind opportunity to raise awareness of the need for organ donors and to raise money for Douglas Mumby Jr. and family. Doug is a Lansing resident and is on the waiting list for a kidney and liver transplant.

There will be a table at the event with information about the Michigan Organ Donor Registry and attendees will have the opportunity to be added to the registry.

We would appreciate your support as a sponsor with a cash or in kind donation. We have three distinct sponsorship levels, all of which will give your company great exposure up to, during, and after the race day. Please make checks payable to Transplant 5K.
