

## Dear Potential Sponsor:

When you donate to Gabriella's Smile Foundation, you are doing so much more than giving money. You are giving time to families who are counting minutes. You are giving hope and strength to children in their scariest battles. You are giving peace to parents who are living an unimaginable truth.

We would like to invite you to partner with us and be a hero for the families facing pediatric cancer by sponsoring Gabriella's 5K Cupcake fundraising event. Your sponsorship helps our organization provide families with the support they need during the most critical times. You can choose an annual event sponsorship and sponsor ALL of our events, or choose to only sponsor Gabriella's 5K Cupcake Run.

We look forward to discussing what kind of hero you will be in 2024.

Sincerely,  
Isabel Torres  
Executive Director

# Our Impact

## Why sponsor Gabriella's Smile Foundation?

### **Gabriella's Smile Foundation**

exists to improve the lives of children battling cancer and their families.

Our mission is to help families, fund research, and raise awareness for DIPG and pediatric cancer.

We believe that no family should fight cancer alone, and that all families should have the support and necessary resources to face the challenging diagnosis of childhood cancer.

When you support Gabriella's Smile Foundation you are giving families a place to seek refuge during their toughest battle.

Your support provides special programming that offers cancer support groups, bereavement support, education workshops, health and wellness support, resources, and social activities that provide each family with a community to lean on in their weakest moments.

When you give to GSF, you are telling families in South Texas that
