Helen Davis School Where Every Child Shines

Juan smiles as Will Stuck reads a story.

Who are you helping?

Helen Davis serves students ages 5 to 21 with significant developmental disabilities in St. Joseph and surrounding northwest counties. Students learn authentic skills in a safe environment to be productive and integrated into their home, community, leisure and work.

All funds raised this year will benefit our accessible playground. Helen Davis PTO is a 501c3 organization supporting the unmet needs of Helen Davis School and this year we are working toward raising funds for a new rubber turf. Our goal is to upgrade our playground surface in 2020. All levels of support are appreciated to help us reach our goal of having a safe playground for recess.
