

Traffic Impact Notice - Sunday, March 24, 2024

The Syracuse Half Marathon Team would like to thank you in advance for your display of hospitality during the 2024 Syracuse Half Marathon. On Sunday, March 24, more than 2,000 athletes will be visiting our city.

Over the course of four hours they will be racing throughout our community as they complete the 13.1-mile run. We ask for your cooperation and understanding on race day as you travel around town. The routes were chosen to highlight the various areas that we feel fully showcase the unique setting of Central New York. We appreciate your support and ask that you proceed with caution and allow for additional travel time to your destination.

Please visit www.syracusehalf.com for details and full maps of the course.
