OUR MISSION:

The Love of Life Campaign is currently celebrating their 17th year in support of the Women's Imaging Center at Indiana Regional Medical Center (IRMC). Through the generous donations and fundraising from the Love of Life Campaign, the Women's Imaging Center has been able to update and now plans to upgrade technologies for patients, as well as provide support to Birdie's Closet. The Love of Life proceeds have provided digital mammography and imaging to IRMC and all of IRMC's satellite locations. IRMC is also proud to offer Tomosynthesis (3D Mammography) at IRMC's main campus, as well as our IRMC at Chestnut Ridge location in Blairsville. Without the generous support from the community, none of these technologies or care items provided by Birdie's closet would be available to the community.
