

RACE TO END ABUSE OF WOMEN & GIRLS II

5K / 1 Mile Run/Walk

8:30 AM, Saturday, March 15, 2014

"The oppression of women [and girls] worldwide is the human rights cause of our time. And their liberation could help solve many of the world's problems,..." -- The Women's Crusade, by Nicholas D. Kristof and Sheryl WuDunn.

"The Status Quo Must Go!." -- WORD -- Women Organized to Resist and Defend..

"Sexual violence against women isn't 'normal.' It's not human nature. Oppression against women—the violence, the objectification, the impoverishment and inequality that women experience—isn't just the way it is [or should be]. It is a function of patriarchy and of institutionalized sexism, of the sexual objectification of women for corporate profit and of a society that tolerates—and often condones—sexual intimidation and violence....We need a Women's Spring all over the world."
