## **Arriving at Home of the Brave Park**

We are excited to welcome you! Upon arrival pull into the main park entrance directly across from Symmes Park (look for Lot 1 signs). Buses do not enter Lot 2 or Lot 3 as they are narrow and would require backing out onto the roadway. You will be directed to the bus parking lot where you will be greeted by a volunteer with your race packet. Bus parking is near to the team camps to provide for ease of setup. The bus lot exit does cross over a section of the course. Please note that if your driver would like to leave during a race they may be delayed until a break allows for safe passage. Included in your race packet will be a hospitality coupon for your driver to redeem at concessions for food and drink.

### Chip Timing

We will be using chip timing. If you have athletes who you decide are not competing, please remove them from your roster by the deadline so we are not charged for their chips. Please be sure your athletes remove their chips and return them at the finish area. Volunteers will be stationed at the bus parking lot if you have chips in your possession to return prior to departure.

### Tee Shirts

Loveland XC Invitational tee shirts will be available for sale for \$15. Tees available in Orange, Blue, Grey and White. Shop early for best color and size selection!

### Concessions

Concessions will be available onsite near the splash park. After your runners complete their race they can grab a snack and cool down in the splash area. **NO SPIKES permitted in the splash area!** Please be sure to communicate this to your team.

Thank you for choosing to attend the 2018 Loveland Invitational. We are looking forward to hosting you and it is our goal to make this a fun, spectator friendly and competitive race.
