

## The Amazing St. BoniRace

### Sponsorship Opportunities

Sponsorship benefits Camp No Limits, a camp for young people with limb loss and their families. This special camp offers a place of sanctuary – a place where young amputees are free to be themselves, a place without the stares and judgements of onlookers, and a place where they can find friendship and support with other amputees.

What began in 2004 with 4 families has grown to 10 camps nationwide. This past year alone, over 1,450 children amputees and 330 families' lives have been impacted by Camp No Limits. One such child is Ephrata 8<sup>th</sup> grader, Ella Rennix. Born without her right hand, Ella and her family started going to camp when she was just 3 years-old. Ten years later, she continues to grow, amaze, and inspire everyone around her, thanks to the confidence she has gained as a camper at Camp No Limits.

We hope that you will consider sponsoring The Amazing St. BoniRace, so that children with limb loss and limb difference can experience a week of fun and friendship they'll never forget.
