

The ACSSSD Education Foundation

OUR VISION

The vision of the Partners of the Disabled Education Foundation is to enhance the quality of life for Atlantic County Special Services School District students with special needs through the funding of innovative projects and activities that will supplement and expand the educational experience.

The foundation has provided financial support for many areas of need in special education which are typically not funded by general budget revenues. Those areas include:

- * Adaptive playground equipment
- * Physical and Occupational therapy equipment
- * Art and Music equipment
- * Specialized software programs for disabled students
- * Mini-grants for teaching staff
- * Holiday food drives for families in the school district
- * Holiday toy drives for every student in the school district
