

Sandy Springs Education Force Lightning 5K/10K October 24, 2026

- Become a sponsor.
- Make a lasting impact on the community.
- Leverage visibility and publicity!

When you sponsor SSEF's Lightning 5K/10K, you play an essential role in nurturing the minds of our future leaders.

With backing from generous sponsors like you, we provide targeted educational outreach programs for public school students in Sandy Springs. For example, our very successful Tutor Teams, Summer Reading and Reading Buddies programs make immediate, positive impacts by improving academic outcomes in math and reading. Plus, our programs facilitate critical one-to-one relationships between hundreds of students and mentors, which research shows is equally important for their educational success.

SSEF is a non-profit, 501(c)(3) organization dedicated to empowering education and enriching the lives of young learners in our vibrant Sandy Springs community.

Sponsor this impactful community event, help transform students' educational experiences and enjoy enhanced exposure in the community.
