# TRAFFIC IMPACT

NOVEMBER 12, 2023

We're grateful for your continued support that keeps our Veterans Day weekend tradition attracting people from across the country, funding local non-profits including the Battleship North Carolina. Join us for the 2023 Battleship Half Marathon on the morning of Sunday, November 12, 2022. During the event, you might encounter minor downtown street closures and rerouting, mainly between 7 am and 10 am. We kindly ask for your cooperation on race day. Your patience and careful navigation, following detour signage, are greatly appreciated.

For traffic impact and detour information, visit [battleshiphalfmarathon.com](http://battleshiphalfmarathon.com).
