

2025 Outrun Lupus Sponsorship

Celebrating over 30 years of community, connection, and hope, this year we're going virtual to launch the California Lupus Foundation. Our mission remains the same: to serve an ethnically and economically diverse population and to provide the widest possible access to services to lupus patients.

In the month of September lupus patients and supporters from every corner of California can help us OUTFIT LUPUS—anytime, anywhere during the month of September!

Proceeds from this event go towards funding our mission of Improving Lives Impacted by Lupus and allow us to continue to offer FREE Support and Education programs to lupus patients and those who love them.

The California Lupus Foundation offers programs designed to meet both social and educational needs of patients and their families in English and Spanish, both in-person and online. Focused on those living with lupus as well as on research and advocacy to find a cure, we are proud to be the voice of the California lupus community of patients, families, friends and caregivers.

We welcome the opportunity to talk with you in person to help you find the right level of support.

The California Lupus Foundation we are still working to move our followers to our new social media accounts. Below you will find our combined reach from our existing accounts which we are still active on.

Lupus Foundation of Northern California's reach:

- LFNC has an email database of over 4000 email addresses.
- LFNC reaches over 6000 people on our Facebook Page, over 1800 Instagram followers as well as followers on Twitter and YouTube.

Lupus Foundation of Southern California's reach:
