

Christmas Without Cancer 9th Annual 5k Run/Walk

Circle Park - Evergreen Park, IL
Saturday, September 16th

Christmas Without Cancer (CWC) is a local 501(c)3 NFP that was started 20 years ago by an oncology nurse, Gerri Neylon. Gerri was moved by the struggles of families that were undergoing cancer treatments and the physical, emotional, and financial expenses of the disease. The organization began by "adopting" a family affected by cancer during the Christmas season. CWC provided the family with gifts and gift cards to offset their financial needs.

Unfortunately, cancer strikes families all year, and assistance is needed daily. The goal of CWC is to help families, not only at Christmas, but throughout the year. When a family member receives a cancer diagnosis, any loss of income has implications on the entire family.

Since founding, CWC has helped thousands of local southland families. 2022 was a record year for CWC. Through the support of many, CWC was able to help 361 families throughout the year and 74 families at Christmas through:

- \$13,850 in gift cards for gas, medications, & groceries
- \$233,195.93 in financial assistance for mortgage/ rent, tuition, & household expenses.
- \$88,572.46 to provide much needed holiday joy

CWC will be hosting our 9th Annual 5k Run/ Walk on Saturday, September 16th 2023 at Circle Park in Evergreen Park, IL. Participants will be able to sign up on our website. Our goal is to raise the much-needed funds that will enable us to continue our mission of helping families fighting this disease during challenging times. We are asking for your support to achieve our goal with a sponsorship or in-kind donation. Any donation you or your company could make would be greatly appreciated.

On behalf of the Christmas Without Cancer team and the local cancer patients and families who will benefit from your generosity, we thank you for your consideration!
